

St. Mark's Lutheran Church

We have good news for you!

Jesus makes all the difference for your life, whether you trust it or not.

That's what brings us together at St. Mark's Lutheran Church. We are continually answering the question how can this be? How can Jesus make the difference in our lives, our community, and the world? Do you know the answer? Come share it with us! If you don't know the answer, come find it with us? We continually strive for knowledge yet live by faith.

Through worship, study of the scripture, fellowship, stewardship, social ministry, and evangelism we experience God's love compelling us to love others, especially you. We are a church where you don't have to do anything...but you get to do everything.

So if you are looking for a difference for your life and are willing to be a difference maker for others, gather with us as we let Christ show us the way.

In Christ's service,

The Rev. Mark A. Marius
Pastor
